ENROLMENT FORM Season 11/12 ADULT SAILING ACTIVITIES

It is a requirement of our insurers that a new enrolment form is completed for every activity.

BOOKING TERMS AND CONDITIONS

In paying for your course or activity at Northside Sailing School you agree to be bound by these conditions.

ENROLMENT AND PAYMENT Your enrolment cannot be confirmed until full payment has been received by The Sailing School. The Sailing School reserves the right to cancel any enrolment where payment has not been received. Telephone, email and fax bookings are generally held for 48 hours until full payment is received. All fully paid lessons, vouchers, including all lessons paid but not taken, are valid and must be used either by the date listed on the voucher or by the end of the sailing season (October–April) which it was booked.

ENROLMENT FORMS A properly completed enrolment form is required covering each and every activity.

REFUNDS AND BOOKING CHANGES Lesson and course bookings are non-refundable. Changes to bookings incur a \$33 processing fee that must be paid at the time of making the change. No changes are permitted within seven days of a booked session.

WET WEATHER Note that these are not picnic activities. They are intended as serious lessons, and as such they will go ahead on any day that the weather is safe and suitable for a productive lesson. The final decision of the weather for each lesson will be made by the Head Instructor on the day, and this decision is final. Rain is usually not a reason to cancel a lesson. If the weather looks bad, you might like to call the sailing office before coming down to see if a decision has already been made. If a lesson is cancelled, it will be re-scheduled at a mutually convenient time.

MID LESSON CANCELLATION If any private lesson is stopped by us after it has commenced, you will be given credit for the time remaining after your abandoned lesson finished. If this credit is for 90 minutes or more, we will schedule a new lesson. If it is for less than 90 minutes, the credit must be taken as time added to a lesson at a later date. Please note; the finish time of the abandoned lesson is the time that you complete packing up the equipment and finish your debrief. Rescheduled lessons must be taken within the time limit of the original booking or by the end of the current season (October–April), whichever comes first. Lessons stopped due to student behaviour will not be rescheduled.

PHOTOGRAPHS Students at The Sailing School are regularly photographed while participating in sailing activities. These photos may be used in our website and in other printed promotional material. Where a photo is used in this way, prints will be made available to you upon request. If you disagree with this paragraph you may cross it out.

BEHAVIOUR We are required by law to maintain a safe work environment for our staff as well as safe operation for our students and for members of the general public in the vicinity of our operations. To maintain these safe standards our instructors and staff have absolute authority during all activities. Students who do not follow the directions of our staff or who break any of our rules will have their activity terminated, and will no longer be covered by our duty of care. In any situation where an instructor terminates an activity we reserve the right to cancel the current and all future booked lessons without any refund. Any cases of harassment or abuse will be reported to the relevant authorities.
